Inspect

**1**

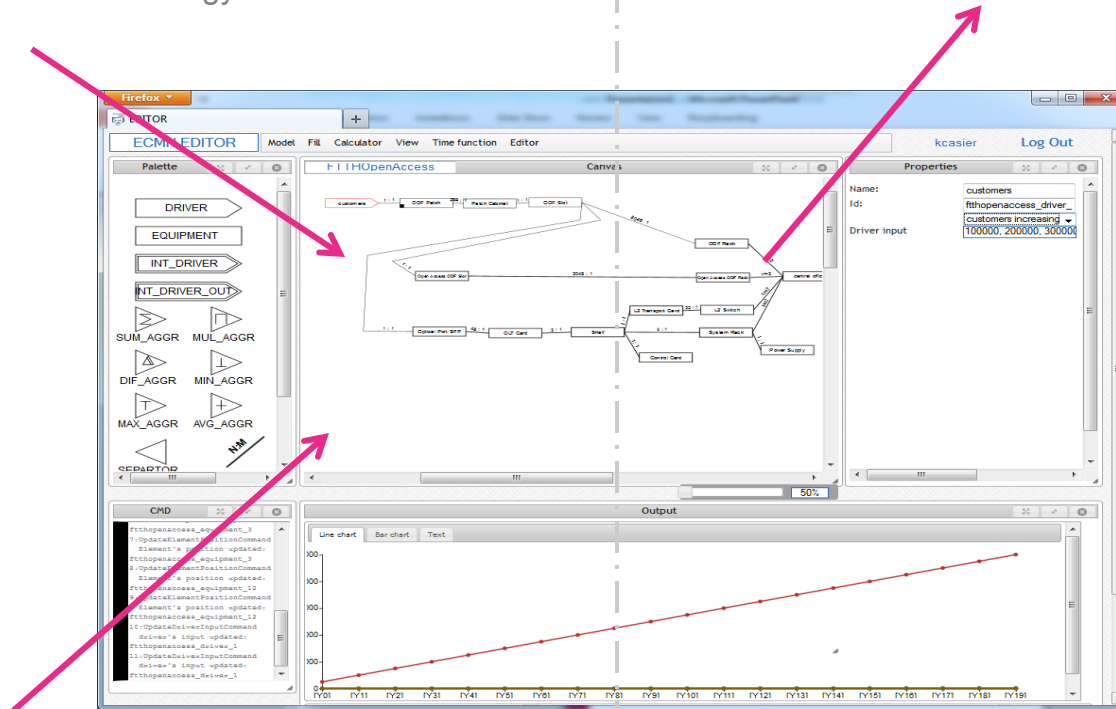

## Domain Specific Modeling Languages

- ✓ Equipment Coupling with novel ECMN standard
- ✓ Business Processes using standardized BPMN
- ✓ Hierarchical Network structure
- ✓ Pricing and revenue strategy

**3**

## Visually Inspecting and Exporting Results

- ✓ Filtering on type and source
- ✓ Trigger calculation from web-interfaces
- ✓ Export of tabular and raw data

**2**

## Visual Input Selection

- ✓ Adoption models
- ✓ Price Erosion models
- ✓ Generic Evolutions and Traces

**4**

## Integrates with ...

- ✓ Business Modeling Tool
- ✓ Refined investment analysis
  - ✓ Game Theory
  - ✓ Sensitivity Analysis
  - ✓ Real Option Analysis
